### THE EXCELLENT – BUILT FOR TWO

Camping continues to be a top holiday choice, with more and more couples discovering the romantic allure of a getaway in a mobile home. Once you've felt the irresistible combination of freedom and closeness a caravan offers, it's hard to go back. For couples ready for an elegant, fresh start after many years of holidays in the family caravan, or who want their first purchase to be a comfortably appointed, mid-range caravan, the EXCELLENT offers four versatile layouts starting from €27,800. With a width of between 2.30 and 2.50 m, both smaller and larger models are available. The EXCELLENT caters to a variety of tastes when it comes to the choice of berths, kitchen design and washroom placement.

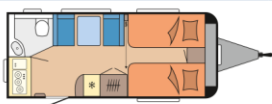

If you're looking for a caravan with a rear washroom, the EXCELLENT model range offers three suitable layouts. The 460 SL provides plenty of comfort within a compact footprint. For those who prefer more space, the 495 WFB and 540 WFU offer larger layouts with a double bed and a full-width rear washroom. All EXCELLENT layouts feature white high-gloss wall units, illuminated shelves with decorative elements, and indirect strip lighting. These elements bring a touch more elegance to the EXCELLENT model range for the 2025 season. Like all Hobby caravans, the EXCELLENT comes fully loaded with the **HOBBYKOMPLETT ALL-INCLUSIVE package**, so it's ready to hit the road and equipped with everything you need to make your holiday the best time of the year.
